Resources for your use

NAMEN offers comprehensive Fatherhood program development survey.

Under the leadership of the new Interim Executive Director, and in support of the growing number of members working closely with fathers, seeking guidance in the creation of comprehensive-sustainable programming, NAMEN has created a detailed survey highlighting the service needs and curriculum design articulated by the target audience. This data collection tool is now available to NAMEN members, gathering specific information, schedule preference, outreach methodologies and engagement strategies which when compiled, will be the catalyst for comprehensive-fiscally sound program implementation.

Fatherhood Survey Tool. Available as an electronic or paper survey.
